IN THE NIGHT HIS SONG SHALL BE WITH ME

J. B. Weeks

We find the above Scripture in Psa. 42:8. We feel led this beautiful day to write a few words to the dear Evangel which I love dearly. I feel like anyone can rejoice when everything goes well. But how many of us can rejoice when things go wrong and we feel we are not appreciated and see the world against us? Then we need Him who has never lost a battle to help us and to give us a song in the night.

When Paul and Silas were in jail God gave those two holiness preachers songs in the night. Although it was dark in the old dungeon, God sent His angel to their rescue and they were let out in the night.

Then brave old Daniel had proved that he loved God and would not worship as the old wicked king wanted him to so they cast him in the den of lions. God locked the lions' mouths.

Then there were the three Hebrew boys who would not bow to the image the king had set up. He became angry and put them in the fiery furnace. But behold, when the king looked in he saw four men in the furnace and the fourth was like the Son of God. Their garments were not singed. God was with them.

We notice Stephen, who was a Church of God deacon, was stoned to death. But God was with him in the night of his trouble, and lo and behold, he saw Jesus on the right hand of God.

John the beloved disciple was put on a plank and floated out in the Mediterranean Sea to an isle which was called Patmos. The devil no doubt thought he would be rid of John, but God had him just where He wanted him so He could reveal the great truth to us thru him. God was with him in the night of trouble.

We read of John Bunyan when put in jail, that place seemed to be where God could use him and he wrote the wonderful book of Pilgrim's Progress.

When Joseph was sold by his brothers and had to part with his little brother Benjie and also could not see his dear old father, God was with him and gave him understanding of visions and dreams. His trials were stepping stones to a higher position where God could use him. He first had to be humbled before he could be exalted. We then notice his exalted position next to Pharaoh.

It seems that all of God's people have had a time to suffer. See Phil. 1:29. "For unto you it is given in the behalf of Christ, not only to believe on him, but also to suffer for his sake." Suffering for Christ is something we do not pray for, but it is necessary to put us in the image of the Lord. "If we suffer, we shall also reign with him." 2 Tim. 2:12. "Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you." Matt. 5:10-12. We need not think the devil will leave us alone for he hates us. He has been our enemy, is now, and always will be. We have some battles to be fought, some victories to be won, then we can shout when the battle is over.

We turn to Acts 9:16 where the Lord told Paul He would show him how great things he must suffer for His name sake and that was nothing else but the Church of God. He was made general overseer after he was filled with the Holy Ghost. It seemed he stayed out of the church about fourteen years, but we are writing about his suffering. We read in 2 Cor. 11:23-28, "Are they ministers of Christ? (I speak as a fool) I am more; in labours more abundant, in stripes above measure, in prisons more frequent, in deaths oft. Of the Jews five times received I forty stripes save one. Thrice was I beaten with rods, once was I stoned, thrice I suffered shipwreck, a night and a day I have been in the deep; In journeyings often, in perils of waters, in perils of robbers, in perils by mine own countrymen, in perils by the heathen, in perils in the city, in perils in the wilderness, in perils

in the sea, in perils among false brethren; In weariness and painfulness, in watchings often, in hunger and thirst, in fastings often, in cold and nakedness. Beside those things that are without, that which cometh upon me daily, the care of all the churches." He had some suffering to do.

We must suffer as He suffered if we go with Jesus. If we follow Him we will be misunderstood many times. Many times we will have hard things to bear but we must go on and see the end of a Christian life no matter what the cost is.

Pray for my unsaved children.

Saints Fell Under The Power

LaBELLE, Fla.—I praise God this morning for salvation. I also thank Him for the way He poured out His blessings on us at Center Hill, Fla. We went there on Monday night April 7 and began a battle. The devil tried in every way to stop us. He sent discouragement thru every available channel. The officials tried to stop us but praise God, Jesus was with us and we intended to stay. One Saturday night after nearly five weeks of battling the Lord came down and baptized one sister with the Holy Ghost who had been seeking for a year. Another backslider was reclaimed and carried thru to the blessing. People stood spellbound as God's slaying power would fall. Brother J. M. Baldree and other saints fell under its power.

There are a few real sky blue saints at Center Hill. We learned to love the people there. Two received the Holy Ghost, two were sanctified, and one saved during the meeting. Pray for us to stay humble and do His bidding. —Yours in His harvest, Mrs. Floyd O'Bannon.

52 Received Holy Ghost, 53 Came Into Church, And 33 Baptized

CAIRO, Ga.—I praise the Lord for what He is to me. He saved, sanctified and filled me with the good Holy Ghost. The Lord has surely been this way. I feel His presence just now. Fifty-two have received the Holy Ghost, and fifty-three came in the church, and thirty-three were baptized in water this year in this district. Praise God forever!

Brother J. A. Hipps has charge of the work here. I feel like he has rightly divided the Word of truth and fed the flock and led others to the fold. I feel like he has sown good seed that will be harvested later. He has had service at the prison camp here and has been invited to have services there often. Let us all pray much that the Lord will heal their broken hearts before it is too late. We thank God for sending Brother Hipps and the others that have helped him in this work this way. May their reward be in that great city beyond the river. I ask an interest in the prayers of all God's people.—Your sister in Christ, Mrs. W. D. Sculley.

Lord's Supper and Feet Washing Observed

TROY, Tenn.—We had our regular meeting at Graves Chapel May 17 and 18. It was a success. Brother T. C. Vales and wife of Humboldt, Tenn. and sister Minnie Kennon of Cleveland, Tenn. were present. Brother Vales preached Saturday and Brother Vales preached at the eleven o'clock service Sunday. We had service in the afternoon but the pastor, P. F. Graves, and clerk were called to the funeral service of Sister Della Davis. Sister Della Davis was a member of the Church of God here. Brother Graves conducted this service.

We had the Lord's Supper and feet washing that night, the 18th. We had a large crowd considering the weather. We had lots of rain during the day. Good interest was shown.

We kindly invite all the saints to be with us the third Saturday and Sunday in June. Pray much for this place.—G. W. Ragin, clerk.

Goes 15 Miles To Services

DeLEON, Tex.—It is with pleasure to me this morning to write a few words in regards to our meeting. Brother Kile conducted the services. He is a wonderful man of God. For five weeks we had wonderful weather and services every night. We had large crowds with lots of hungry souls. But as we are between the Assembly of God and the New Light, our teachings being so different, they only looked on with hunger. I am sure the seed were sown so the harvest will be ripe by fall.

My family and I are doing our best to water the seed by having prayer meeting every Friday night. We have had two services with good success since the meeting. Thirty-five to forty were present every night.

Pray for us in this place as there is no Church of God closer than fifteen miles. We attend the Sunday School and C. of G. Y. P. E. there every Sunday. I ask special prayer for the C. of G. Y. P. E. in Texas.—Your brother in Christ, S. W. Roberts.

The Lord's Coming

Mrs. V. M. Ragsdale
Look up, dear saints, and shout aloud, Our Lord will come upon the clouds; The fig trees now are budding leaves, We're near the end is plainly seen.

Oh, watch and pray and faithful be That you may then our Saviour see, And go above this world of strife And enter into eternal life.

Oh, what shouting there will be When all have come from land and sea To that great supper in the air And Jesus comes to serve us there.

Then we will come to earth again And then His kingdom shall begin; A thousand years we'll reign with Him And to His peace there'll be no end.

The devil's bound that thousand years And there will be no pain or tears; The Lord shall reign from shore to shore And we shall all His name adore.

The Husband of One Wife

B. L. Hicks, Monroe, Va.

In 1 Tim. 3:2 the Word says that a bishop must be the husband of one wife. The 12th verse says that a deacon, or deacons are to be the husband of one wife.

I will begin this article by saying that this Scripture does not mean that a man must be married before he can be a bishop or a deacon in the Church of God. It means that he can not be the husband of two wives, or more than one. If being married makes a man better, or better qualifies a man for the work of God, then it would have been necessary for Jesus to have had a wife, for He set us an example in everything that was good, or everything that was absolutely necessary. Also it would have been necessary for the Apostle Paul to have had a wife for he was not only a bishop but also an apostle. In 1 Tim. 3:1 the apostle says that if a man desire the office of a bishop he desireth a good work. Then in 1 Cor. 7:1 the same apostle says that it is GOOD for a man not to touch a woman, and in the 8th verse, "I say therefore, to the unmarried and widows, it is GOOD for them if they abide even as I." And to abide even as the apostle meant to be single.

Now, do you think that the apostle would describe one thing as being a GOOD work and turn right around and recommend another thing as being

Columbus District Convention

The Columbus district convention convened at Mt. Olive church, Miss. April 25, 26, 27. Our State Overseer, Brother S. J. Heath, and wife were with us, also our district pastor, Bro. J. T. Clark, and wife. Brother Heath preached some deep and instructive sermons which were fine and enjoyed by all. On Saturday night preachers and delegates from all over the district began gathering in and we had a wonderful service. Sunday morning a large crowd gathered and several good talks were made by preachers from over the district. Brother Heath brought the eleven o'clock sermon. His subject was "The Church." He took the natural body to show how the church should work together in unity. At noon dinner was spread and after a short recess we gathered in the church again. There was congregational singing, shouts and praises to God. Next we had the call of the churches from over the district. Sunday night Sister Heath brought a wonderful sermon. Her subject was "Loss and Profit." Her text was Mark 8:36, 37. She made it very impressive and many hearts were touched. Several gave their hands for prayer. Many souls were blessed and everybody seemed to be encouraged.—Carrie Blackwood, clerk.

GOD HAS HELPED US

WELTON, W. Va.—I am praising God this morning for the way He is blessing here at this place. Brother J. F. Cook preached for us Saturday night and God was there in our midst to bless. Two prayed thru to the Holy Ghost. Conviction seemed to be upon many.

We have gone thru many hard tests and trials here but God has helped us and given us grace sufficient to stand. Many times when we would be almost discouraged Brother T. J. Meade, our district overseer, would come in and preach some good encouraging sermons to help us out. I wish we could only have more pastors like Brother Meade.

We are planning on a revival real soon. Everyone help us pray for God to open up the way as we have no building to worship in, only our homes. Pray that God will save souls and much good will be done.—A sister, Lessie McKinney, clerk.

THE CALL OF ABRAM

J. A. Wilson

And Abram journeyed, going on still toward the south.

When God called Abram He said, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will show thee. Gen. 12:1 Abram didn't put up one excuse but went. So Abram departed, as the Lord had spoken unto him. Abraham left this beautiful testimony behind him when he left this world. HE OBEYED GOD, therefore becoming a friend of God.

I wonder how many of us when we leave this life behind will have the same testimony as Abraham's. He obeyed God. Many of us are afraid to

We Have The Victory

SHELBY, N. C.—I praise the Lord this evening because He saved, sanctified and filled me with the sweet Holy Ghost. I praise Him for His mighty healing power. He has healed me many times. He healed my little boy when it looked like he would die, but we trusted in God and He healed him. Praise His dear name! I want all who read this to pray for the church at this place. We need your prayers. The devil is at work and doing all he can to tear up the work here, but God is working too and we know He is more than a match for the enemy. We are few in number but praise God we have the victory. We don't have a building in which to worship but we are having services in the homes, and shouting the victory. We were glad to have Brother Cooper and Brother and Sister Durham from Greenville, S. C. with us Saturday and Sunday. Every one enjoyed the way Brother Cooper gave out the Word. Let every one who knows the worth of prayer pray for us that we will stay in the center of God's will.—Your humble sister in Christ, Mrs. Bonnie Pruitt.

After many days in which God showed His hand of love we arrived in Florida, the land He wanted to show me, like Abram of old. Truly it is a land of wonder. It is wonderful in its fruits and plants and flowers and foliage and many other things. But best of all, the most wonderful part was the open hearts of His people to me.

The Church of God holds the finest people within her doors that are in all the world. What they have they are willing to share with you. The songs of Zion which rang with melody from happy hearts thrilled us thru and thru until we were made to weep tears of joy. Such preaching, it's remarkable. Surely it seemed like God lived there. Our dear Brother Johnson and wife surely made me feel welcome at their home and in the state.

We traveled thru the central part of this beautiful country which God had called us to see and met the Church of God saints who surely do enjoy God's blessing of full salvation. We cannot forget the dear ones of Plant City under the care of Brother Alderman and his good wife. Their memory is sweet to us. May God richly bless them one and all for their love and consideration to us. They surely are real saints and on fire for God and righteousness.

Then God called us farther south. We went to Manatee where we met Brother Drymon, a precious man of God. We learned to love him and his flock. They treated us fine.

We then went to Cortez where the saints there treated us fine. We journeyed on southward to an island in the gulf of Mexico called Gasparilla. We were met by Brother Jones and Brother Dixon whom we learned to love. It was here we saw the great fish of the sea and enjoyed our stay wonderfully. May God richly bless these dear humble fishermen who like Peter and John and the fisherman on the coasts of Galilee followed Christ in their days.

We then went on to the Seminole Indians south of Gasparilla where we told them of Jesus. As we journeyed still southward we viewed the land before us. Rich plumaged birds flew up on either side of us among the tropical trees. The lazy alligator eyed us as we went by.

After a long journey thru the everglades, a tropical forest, we reached the Magic City on the shores of the great Atlantic where her blue waters kissed by the southern sun glister and sparkle and the rich man plays on his playgrounds in his life of ease. We were made welcome there by Brother Rumler and family. We enjoyed meeting the Church of God folks there.

Then we started home towards the north country. We stopped at Riviera and held meeting a night or two with Brother Bradley, a dear man of God. It was here we met Brother Pender, the fisherman, and others. We had the

trust God even after He has spoken to us. Not only do we hinder our own lives thru our disobedience, but possibly others are kept back. Maybe this terrible sin of disobedience will bring judgment to our own lives and cause the loss of precious souls, where on the other hand if we would obey, it would bring joy and peace and contentment to us and to many others.

Many of God's people have been spoken to by God and told to do a certain thing and instead of obeying they have put it off until fear or unbelief has taken hold of their minds, leaving them in the background, if they had obeyed, how happy they would be today. There is a remedy, dear ones, for this and you can still meet God in the judgment with a clear conscience. That is repentance and obedience to God. What we do we must do quickly for the day of judgment is drawing near. Turn to Heb. 11 and see the examples of faith. Read it carefully and let every word sink into your heart.

Wife, children, and I left home Feb. 24 for the Southland with less than four dollars, in obedience to the call of God. If we had waited or put it off, I may never have gone. On our trip thru West Virginia mountains in the southern end, we got lost and journeyed over fifty miles out of our way but God delivered us. Bless His precious name.

Reports of good meetings continue to come from the various states. This is surely a good year for the Church of God.

Watch for the report of the Church of God Evangel workers from time to time. I am sure that no one regrets what they have done for the paper. We are praying that others may become interested and work for the Evangel. May the Lord bless each worker. Some of our best preachers are among the Evangel boosters and workers but we are glad every one can work for the Evangel.

We thank those who have sent your order for Sunday School literature. Early orders are worth much to us. It will enable us to get the literature to you before the quarter begins. Those who have not sent in your order had better do it at once. We think we have plenty of literature this time to supply all demands. Be sure to order plenty to supply your school.

The General Overseer is at his desk after a visit to Ohio, Michigan and Kentucky. He is very busy getting his work rounded up so that he can visit other states and be in their conventions. He reports the Church in a thriving condition in all the states that he has visited.

This week Laud L. Vaught took the lead in sending new subscriptions to the Evangel; J. A. Muncy, five; Mrs. Clara Mullikin, five; T. C. Franklin, four; J. M. Snyder, four; Canna Bell, four; C. W. Dempsey, four. We have received eighty-two since last issue.

MOTHERS' DAY VERY IMPRESSIVE

MIAMI, Fla.—Just a few words of praise to our precious Savior. Oh how I love Jesus this morning! We had a nice meeting on Mothers' Day. Our church was decorated with lovely flowers and palms. As our secretary called the different Sunday School classes they responded with songs and recitations. Then when our beloved pastor stepped up to the sacred stand for the morning service he said, "This is Mothers' Day and I want it to continue to be Mothers' Day."

He called on the congregation for each one to say something about mother. Almost everyone spoke of mother. Many tears were mingled with the good words that were spoken about mother. A few red flowers were seen on the front of dresses and coats, but many, many more white ones were to be seen. A few of the young people wore white flowers but most of them and the children wore red roses.

At 6:30 p. m. the young people's meeting began. To say the least about it, to me it was grand.

At 7:30 the regular service began. I want to say we surely do appreciate our pastor for he surely does preach the Word in all its truth and it is food to our souls. I believe I can say we, the whole church, love and appreciate our beloved pastor and his precious wife and dear little children. When I see children as obedient and loving and kind to their parents as those are, I surely do love

Dear brothers, sisters, pastors and friends of the Church of God in Florida. Brother and Sister Rumler always have a smile, kind word, and a glad handclasp for everyone. I don't believe they love one any better than another.

As I sit here and look out on the beautiful sunlight and trees, and flowers and hear the sweet birds sing and see them flit among the leaves of the trees, my heart sings for gladness to God for His love and the precious Jewel He gave for the salvation of poor lost humanity. Thanks be unto God for His unspeakable gift. 2 Cor. 9:15.—Your sister in Jesus' love, Mrs. A. L. Douglas, 2301 N. W. 17th Ave.

da, I, the first assistant superintendent of the C. of G. Y. P. E. of Florida, wish to thank you from the depths of my heart for the response to Brother P. W. Chessers' (State Superintendent's) place in the Evangel some time ago asking you to cooperate with me in helping to organize, give instructions, encourage and stir up interest among the Endeavors of Florida. Also I want to thank you for the financial support we have received. We feel that every church has done their best.

We think we have met with good success. The Lord has helped us organize an Endeavor in every church we have visited, and we have held services where they were needed, except one. Some churches, I am glad to say, we found organized and doing business for God. I have not been able to visit all the churches but am still on the job and will stay on it, the Lord willing, till the 12th of June, this being the day set aside for the young people at the camp meeting. You come and be with us on this day. If you can't come, you pray that God will have His way and that the new officers of the coming term will do exceedingly more than the present ones have done. Pray for me.—Your servant for God and the Endeavor, Ralph W. Tedder, 1st Asst. Supt. of C. of G. Y. P. E. of Florida.—(Too late for last week's paper).

If anyone near Cleveland, Tenn. is in need of a farmer I would like to hear from you. I have a good showing to make a good crop. I want a place in or near Cleveland, Tenn. so I can send my oldest son to Bible School next Fall and he can board at home. I will take a place as far as ten or fifteen miles from town. I have three boys large enough to work like men. I will pay standing rent or work on halves. I want a place that has a pasture on it and one that is suitable for raising poultry, also close to some kind of work that I can do thru the Winter, unless the man I work for has work for me to do thru the Winter. If interested, write J. D. Hickerson, Rt. 2, Newell, Ala.

I would like to say a few words about our Young People's Endeavor. I understand that some do not favor asking each member to pay dues, but just take an offering. Now I am sure that it is not asking too much to ask each one to pay twenty cents per month as dues to help carry on this good work. That would only be five cents each week, and many spend much more than that for candy and other little things that are useless. Now, our State Superintendent has quite an expense, and I am sure we would not think it unfair for her to have one half of the amount that is paid into each local endeavor to carry on her part of the work. It cost something to print the little paper, "The Lighted Pathway," which we have been using in the meetings, and is very useful because of having the programs for each meeting already arranged for us. It is necessary from time to time to print and distribute suggestions and plans, and correspondence is a vital part of this work, and this adds to the expense of our State Superintendent. I am sure we would not want her to take care of this expense out of her own funds. Now I am sure a little thought on the part of the young Christians is all that is needed to cause them to realize the absolute need of a state organization, and cooperation on the part of every member. So please consider this prayerfully, and see if you think that you as a confessed follower of Christ, could think it unfair to be asked to contribute such a small amount to this worthy cause. So let us all, both young and old, be a booster for the Church of God Young People's Endeavor, and let our motto be "The young people for Christ."—Yours in Him, H. N. Scoggins, State Overseer.

REQUESTS

I am asking the saints everywhere to pray for my little girl who has eczema. The Lord healed her once but it came back on her. We are trusting the Lord for her healing. He healed another one of our little girls of eczema.—Your sister in Christ, Mrs. Gracie Cahela, Rt. 1, Liberty, Miss.

Please pray for the Lord to heal my little girl of stomach trouble. If Brother Rouse and Brother Paulk see this, please pray for her.—A sister in Christ, Carrie Williams, Homer, Ga.

I praise the Lord for what He does for me. I'm praying for Him to heal my baby. She has been having high fevers for about two weeks. Please pray for God to heal her. I have asked for prayer before and received a sweet blessing and now I feel it my duty to ask again. Jesus is so sweet to me. I want to live for Him and teach my little children the right way. I want to trust Him with everything. Do ask Him in your prayers to come to my rescue for I need

Meeting Had to Close Too Soon

We are glad that the Lord is still working in different parts of the world to-day and He will work when we get in the right attitude toward Him for Him to work. We have just had a revival in Fitzgerald and Pitts, Ga. conducted by Brother S. F. Beard, Overseer of the Churches of God in Arkansas. The Lord blessed in a peculiar way. Fitzgerald was stirred as she had not been for many a day. Strong conviction would rest upon the people; tears would flow from the eyes of those sitting back in the congregation and sometimes a general rush would be made to the altar. People were convicted who had never been moved before. One could hear remarks all over town that they had never heard such preaching before. The messages were sharp, pointed and plain. One said, "He drew my picture and let me have a good look at it." Everywhere they would say, "That is just the way I see it." I suppose about the main fault of the meeting was when things were getting ripe for people to pray thru and get to the Lord, it had to close. However, a few found the Lord. About the same as we have said of Fitzgerald church could also be said of the church at Pitts, Ga.—C. M. Padgett.

My Soul Is Filled With Glory

GORDO, Ala.—I am praising God today for this wonderful plan of salvation. I am enjoying the sweet blessings of God. Altho' the storms from the enemy are raging strong on the outside, thank God, all is calm within. My soul is filled with glory. I'm bound to shout; the cleansing blood of Jesus has ruled the devil out. That is the reason he rages so. He's on the outside and can't go in for the Holy Ghost has the house occupied and keeps him driven out.

The Lord has been having His way at Bradford, Ala. in the Church of God. On Wednesday before Easter the saints decided to hold service until Easter as they were planning to have all day service that day. The Lord blessed and four received the blessing by Sunday night and two Sunday night. The writer came Saturday and stayed with them until Monday. I could not stay with them any longer but insisted on them continuing on thru that week. About nineteen received the Holy Ghost, twelve came into the church.

On the second Sunday in May another revival was started there conducted by Brother H. M. Taylor of Kennedy, Ala. It continued for two weeks and about twelve more received the Holy Ghost and thirteen came into the church. The revival closed the fourth Sunday with twenty-one following the Lord in water baptism.

About thirty-five were saved, thirty-three sanctified, thirty-one received the Holy Ghost, twenty-one baptized, and twenty-five came into the church in the two meetings. We are still praising the Lord for this. We surely thank the Lord for the young people who received the blessing. We believe they mean to stand true. They work in the altar as though they had had the blessing for years.

The church at Bradford is really on fire for God. They stand by me as their pastor and we are greatly encouraged to go on. Brother Taylor did some wonderful preaching thru the power of the Holy Ghost. The people love him and want him to come again. I do not think any church would make a mistake by getting Brother Taylor to conduct a revival.

Him. Pray for my family. Pray for my other children who have something like whooping cough.—Your sister in Christ, Mrs. T. L. Herrin, 1921 Albany Ave., Waycross, Ga.

I have had a sore leg ever since September. It seemed to me that I would have to have it taken off. I promised God if He would heal it I would tell it in this paper. He blessed me wonderfully. It got so much better but is not well yet. I am still depending on Him to finish the job. I realize we are nothing without Him. We can be healed when we believe. I want all the saints of God to pray that God will completely heal me and make out of my life just what will be pleasing to Him. I feel sad and lonely since husband went away to work. I am trusting the dear Lord and know He will take care of us if we only heed His voice.—A saved sister in Christ, Mrs. P. M. Jordan, Middlesex, S. C.

My mother suffers a great deal at times with her wrists and hands. Her wrists are enlarged and out of shape. She fell sometime ago and hurt her hip, also her knee and ankles bother her. So I ask all to pray with me that she will be healed. I am a member of the Church of God at Wimauma, Fla.—Your humble brother in Christ, Bert Shaw.

I want all who read this to pray for my head as all of my hair is coming out, leaving me perfectly bald headed. I am a little girl of ten years. I am saved, sanctified and filled with the Holy Ghost. Praise His name. Pray for me that I may hold out faithful to the end.—Your little sister in Christ, Evelyn Stewart, Christopher, Ill.

Shouting In The Water

WALHALLA, S. C.—We opened fire on the enemy at Greenwood, S. C. May 19 and preached six nights. The Lord was with us all the way thru. We surely did have a good revival. At times we could not preach on account of the Holy Ghost working. Six were saved, three sanctified, one filled with the Holy Ghost, eight added to the church, and ten baptized in water. We had shouting in the water. The meeting was conducted by the writer.

We set the church in order in Greenwood in January 1930 with seven members. Now we have nineteen and more are looking this way. The people of Greenwood surely do believe in the Church of God. We also have a good Sunday School there. We ask the readers to pray that God will give us a good church building at that place.

We had an outpouring of the Holy Ghost at Walhalla town church Sunday morning. The good Lord surely did bless.—C. E. McAbee, 3 Ballanger St.

for he is truly a man of God. I ask an interest in the prayers of my brothers and sisters all over the world for me and my family.—Your brother in Christ, C. G. Herring, pastor.

ON FIRE FOR GOD

KENNEDY, Ala.—I thank God for the great love of God I feel in my heart just now, this great love that comes down from God. It makes us love everybody, even those who say all manner of evil against us. This deep love will add to us more patience, long-suffering and kindness. I can't thank God enough for what He did for me about eight years ago. I was filled with the blessed Holy Ghost, and the way gets brighter every day.

I am glad to report that our church at Kennedy is rising and shining. The saints here are on fire for God. We had all day service the first Sunday in May. Brother W. T. Nelson was with us and did the preaching. The Lord blessed. We long to see the time when he can be back in our revival. Even the sinners were delighted with his preaching. We thank God for Bro. Andrew Mills and Brother W. M. Newman being with us a few days. They did some good preaching. We thank God for such preachers who will take the whole Bible and declare it to the lost and dying world. Brother H. M. Taylor is our pastor. The church loves him. They are ready to stand by his preaching. He is a real soul winner for Jesus. Pray for me that I will ever be watching and waiting for my soon coming King.—An humble sister in Christ, Dora Newman.

THE CALL OF ABRAM

(Continued from page one)

privilege of going to sea in their fish boats and see them catch fish. It was wonderful to see those humble, but yet happy, fisherman pull in the fish. Their keen eyes would see the fish when our eyes couldn't. Then like a flash over would go the nets and they would surround them in a short while. I learned valuable lessons here on how to catch fish for the Master.

In the meantime God was giving us precious souls. Hallelujah! Then we bid them farewell and started back into the central part of Florida again where we were met by our dear Bro. Johnson whom we love so well. He surely is doing a great work for God and His Church in that southern clime. Then came our final farewells and we journeyed north to Jacksonville to be with Brother Williams a precious man of God.

On leaving Florida we journeyed thru Georgia to headquarters. We were welcomed by our dear General Overseer, S. W. Latimer. I forgot to state that on our way down we stopped at Headquarters and were made welcome and to feel at home. We stayed one night at the home of dear Brother Whittington and was treated fine. He is the pastor at Headquarters and a good one too. We stayed at the home of our General Overseer, one of the finest men I ever met. He and his wife treated us wonderfully. Oh how we did enjoy our stop at Headquarters.

To my mind and I am sure to many others, God has given us two of the most precious men of our day to lead His Church on to victory, S. W. Latimer and R. P. Johnson. They are loving, kind, tender, and considerate of all who come under their supervision and I am sure to all mankind. I for one thank God from the deep of my heart for ever allowing me to be added to the great Church of God and for having such earthly leaders who love His church and her interests.

We then went on home thru Kentucky and Ohio where we had such good times. We landed home by faith in God, the way we began, April 12, tired but happy.

Our needs were met in a most wonderful way. We wouldn't forget the hospitality of Brother and Sister Joe Little who treated us so wonderfully and made us welcome. They are a promising young couple for the future, I am sure. It would do you good to meet them.

We also stopped at E. C. Clark's of Clarksburg, W. Va., a splendid man of God with Godly wisdom. I am sure all who ever met him will agree with me. He and Sister Clark treated us fine. And at Huntington, W. Va., Princeton, W. Va., Chilhowie, Va., and Knoxville, Tenn. We were treated likewise. As I said we arrived home safe and sound because of a loving God and a tender Christ and the good Holy Ghost, backed up by scores of saints who were praying for us. Oh how my heart goes out to God and His people. They are the people I am to dwell with in yonder clime beyond the setting sun.

To all the saints who read this, will you take us on your hearts in prayer? We would be delighted to hear from any of our dear friends or anyone who cares to write. Our address is J. A. Wilson, Pastor of the Church of God, Manns Choice, Pa.

Since returning home, we have had the blessed privilege of having our dear Brother Latimer in our home. Oh the fellowship was so sweet we hated to see him leave. His messages meant so much to me. The precious Holy Ghost surely blessed them to me and others here. We surely welcome him to these fields of labor any time he can come. I'll close with fervent Christian love to all of God's people throughout the land. I remain your brother in the fear of God for His church and the lost.

MY MESSAGE

I want to sound a whisper song. Across the world so wide, To say to all the boys and girls, For you and me Jesus died.

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish but have everlasting life." John 3:16.

Dear brothers and sisters, this afternoon I am praising God for Jesus who came into this sinful world to give His life that we might have eternal life. Praise His dear name! I praise Him for lifting me up out of sin and starting me on the straight and narrow way rejoicing with praises to God in my heart. I am saved, sanctified, praying for the sweet Holy Ghost and a member of the great Church of God which just suits me. Glory to God! I praise Him for our Church of God Young People's Endeavor at Somerset in which we have many faithful workers. We have about eighty on roll. We are thankful to God for our pastor, Brother J. A. Muncy, who came from the South to the North where it is much colder, to preach the Word of God to us, which feeds our hungry souls. I ask all who read this to please pray that this church will rise and shine for God and stand for all truth and right, and that I may receive the blessed Holy Ghost—Your sister in Christ, Edith Virginia Day, Somerset, Pa.

Not Natural Wine

BIG TIMBER, Mont. — I want to again sound a note of praise to God for His recent blessings to us. We had a revival meeting here in Big Timber, Mont. since I wrote last. The Lord blessed us good. We had the best interest that I ever saw in this place. People came who had never been seen before. Possibly there were a hundred different ones who had never been in our building before this meeting. Of course all those new ones did not all come on the same night but we had some new ones every night I believe. To say the least of it, we surely were encouraged over the way the outside public came out.

The power of God was wonderfully manifested at different times. One Norwegian sister tried to go home one night before the Lord got thru with her but when she finally managed to get up from the altar she would stagger and fall back at the altar like she was drunk. I'm persuaded she was, but not on natural wine.

While this meeting was not what we wanted and looked for, I believe it made friends for the church and that the effects will be felt and seen later.

Last Sunday we went to Joliet to a rally day service. The Lord blessed us good. In spite of the hard times that folks are talking about, the Lord was good to us and the people too, so that we were able to raise \$57.61 for the church debt there. I believe the Lord is blessing us more this year in the work in general than ever before. Let us be thankful and do our best. — Yours in His service, M. L. Lowe.

They Were Amazed At The Works Of Jesus

CHICAGO, Ill.—Just a little report of the work in Chicago. We are often asked the question, Why is the Church of God love different to that of others? Our only answer is by doing the will of God. Jesus said, If ye love me, keep my commandments. John 14:15. Can two walk together except they agree? We have found a few people in Chicago who will agree.

On Mothers' Day I had the whole church family together. Truly the Scripture came to me very forcibly when it said, "For whosoever shall do the will of God, the same is my brother, and my sister, and mother." Mark 3:33. We had a little program, only using songs that would impress on the young people that mother was their best friend on earth. Thru the singing and music the power fell. There was much shouting and rejoicing. It seemed as tho' the very heavens were opened and everyone had their umbrellas down so they could get a real shower from God. Three fell from their seats in the audience under the power. Four were at the altar and one of them received the baptism of the Holy Ghost.

One little girl in the back of the house was used mightily of God. After God dealing with her for some time the mighty Holy Ghost lifted her up brought her up to the front of the Bible stand and she repeated the twenty-third chapter of Matthew in other tongues. A Polish lady said she understood the chapter as it was in her own language. It was truly wonderful to see that child deliver that message with the glow of Jesus on her face, motioning with her hands to the audience to give their hearts to God. We are reminded of the Scripture in John 17:21-23, "And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: And the glory which thou gavest me I have given them; that they may be one, even as we are one: I in them, and thou in me, that they may be made perfect in one."

Truly we are thanking God for the way He is blessing. Even though times are hard and finance is hard to get, He is still pouring out a blessing. We are asking Him for a larger place as this place will not accommodate the people. Now while God is working, the devil is mad too.

I do not believe I got a better picture of the coming of Christ than I did on the night of Mothers' Day. When the power fell and Jesus was near, you could tell the overcomer from the lukewarm and from the sinners. Truly the Word says they were all amazed at the works of Jesus. Pray for this work here that it may shine for our King.—Mrs. Amelia Shumaker, 2942 W. Madison St.

Rely On Jesus, He'll Carry You Through

WOODSON, Va.—This morning I must write a note of praise for my precious Savior. Brother Rob Rexrode and Sister Fannie Duncan came to Woodson and started a revival which went on for nearly a month. The old devil got so angry. He couldn't let men behave themselves. They threw rocks in where we were holding services and also dressed up a turkey buzzard and threw it in at the altar. Yet God blessed. Six were sanctified, five received the Holy Ghost, seven or eight were saved.

We Are Doing A Great Work

LOGAN, W. Va.—We are doing business for our King. We have just closed a revival here with fourteen saved, nine sanctified, six baptized with the Holy Ghost, four baptized in water, and six added to the church. Brother R. A. Fielden and his workers were in charge of the revival. The church was greatly benefited by the Word Brother Fielden gave out. I am sure they will always be welcomed back here any time.

The church is on fire for God and the Lord is wonderfully blessing. We have a fine Sunday School. Since Brother Paulk came to be our pastor, we are building three Sunday School rooms in the basement of the church. This will soon be completed. I believe we have one of the finest Sunday Schools there are in the Church of God, for I noticed we had a larger orphanage offering than any other Sunday School, which was \$63.60. Prior to this report it was the largest also. So you can see how the Lord is blessing His work here.

We are now looking forward to the district convention which will convene here May 30 to June 1 inclusive. During the latter part of June we will have another revival conducted by Sister Helen L. Morrow. We are looking for a wonderful time with the Lord during this revival.

The power is falling here in so great a way that Brother Paulk has to stop preaching at times for the people to shout and talk in tongues. Our church here is large and at times it is filled to its capacity in the regular services. Pray for us here that we may continue "for we are doing a great work and can't come down." I will close by saying, "Blessed be the Captain of our salvation."—Mrs. Mildred Lighte.

TRYING TO LIVE THE LIFE

PAHOKEE, Fla.—I have never written to this paper before but I feel like praising God this beautiful morning for His great love and tender care for me. Over two years ago God really saved my soul from a devil's hell, sanctified me with His own precious life blood and lifted me with Heaven's great Holy Ghost and that deep settled peace still abides. I feel that God has a special work for me to do. I desire your prayers that I may be qualified for His labor. I am the only one of the family that really believes in holiness, but my blessed Bible tells me to follow peace with all men and holiness without which no man shall see God. I am trying to live the life before my loved ones, and not only them but my entire surroundings, that I may entice someone to accept our Lord. I am here at Pahokee. We have no place of worship and really need a good revival now. There is only a few Church of God members here but we are praying that the Lord will send someone here to preach the full gospel after camp meeting. There are hungry souls at this place who need the bread of life. Dear readers, I have never been permitted to be at camp meeting but I trust to be there this time. Will you ask the Lord to open the way? I am so hungry to be in a good meeting.

I have a friend here who has stiff joints from rheumatism for fifteen years and his feet have awful places like cancers on them, but God is still on the throne. Will you pray with me that he may be healed for his own good and to prove to this world that God is able when everything else fails. I am only a weak worm of the dust but my whole heart is for God and right. I desire your prayers that I may live a sanctified life and always be in the center of my great Redeemer's will. By the help and grace of God I want to make Heaven my home.—A sister in the Lord, Lillie Belle Godwin.

We were Baptist but some of them do not speak to us. They took our part of work that we had in their church away from us. We began praying meeting. The first time we met there were only four. Our meetings kept growing. On May 11 we began praying meeting at two o'clock. I knew the Lord would bless. I was so happy I wanted to scream. When we began singing the power fell. Everyone who had the baptism hit the floor. The Holy Ghost began weeping thru us. Everyone was crying and weeping over some soul. There was a girl who had been forbidden to enter our meeting. She began crying and praying, also a little nine year old boy. Other little girls and boys who came to be in the meeting got excited and fell on the floor crying to God. It was glorious how the little children closed on God. Before the meeting closed the girl was saved and the little boy saved, and sanctified. He will stand by us if we will stand by Him. The meeting closed sometime after four o'clock and all went home praising Jesus.

We ask all who will to pray that they will have a church here soon where we can have preaching, and some one to lead us. We are like sheep without a shepherd but we are still clinging to Jesus never to turn back. No, if we never have anyone to lead us farther we will pray and God will keep us true.—Menden Campbell.

A GOOD REVIVAL

CHARLOTTE, N. C.—While others are reporting good revivals in many places we are glad to report some real victories won here. On April 30th Sister Helen L. Morrow and her pianist and singer, Sister Mabel Day, arrived in Charlotte for the purpose of entering into a battle here against Satan. These sisters stayed with us eighteen days and proved themselves to be persevering soldiers for God. When the time came for them to leave Charlotte in order to make their next appointment, it seemed that the enemy's strongholds were just getting torn down to the extent to make us feel encouraged to push the battle a little longer.

Our pastor, Brother Hughes, then entered the pulpit for two weeks longer. On Sunday night of June 1st it was decided to discontinue the meeting for one week and then continue at intervals until God says it is enough. The interest is good and the altar filled with earnest seekers at each service, many of whom are seeking the Holy Ghost baptism, so it can be readily understood why we do not wish to bring the revival to a close yet. We may have meeting every other week for some time and will not be at all surprised if God performs some marvelous acts. In fact, we are expecting Him to work mightily in our midst. Praise His holy and matchless name!

At the date of this writing there have been twenty-six converted, ten sanctified, seven filled with the Holy Ghost, five added to the church and a goodly number are to be baptized next Sunday. Of one thing we are confident and that is the fact that the Word has been preached in Charlotte and will stand against those who do not accept it and put it into practice. Yes, it will stand against them in judgment, even some who had the opportunity and failed to come and hear the Word. The truth is, the Church of God in Charlotte is fortunate enough to have a pastor who really knows how to teach the Word of God and whom the Lord helps to handle a subject when he preaches. Many, even among church members, do not appreciate this kind of preaching as they should, but those whose hearts are really hungry to know God's Word get their souls fed and rejoice over it. Last Wednesday night the saints took the Lord's Supper and washed feet and were happy, for the Lord said, "If ye know these things happy are ye if ye do them." John 13:17.

Just a word concerning the home mission work here. It is indeed proving to be an interesting, and we believe, a profitable work. If every church could have a community worker to visit in the homes and in this way show the people that the church is interested in their souls, many could be reached that are not now concerned. Furthermore, the local churches would soon begin to possess more of a missionary spirit. Some of the sisters here go with me occasionally and as we sing, pray, and talk to the people they begin to get interested in the church and often ask concerning the Church of God doctrine and perhaps for the first time get a proper idea of what the Church of God really is and stands for. Let us pray for an ever increasing interest in this phase of the work and remember that not all of the missionary fields are across the waters. The thought and desire of my heart is for us to do everything we can to cause everybody in each community, where there is a Church of God, to realize we are a church who really care for the souls of the lost and to prove to them that the doctrine is the Bible doctrine and then leave the results with them and God. Greetings to my brothers and sisters everywhere. — Anita Faye Cree.

Evangel Is All The Messenger We Have

TOWNSVILLE, S. C.—We surely do enjoy reading the Evangel and seeing that God's people are still on the upward move. The Evangel is all the messenger we have now as we live so far away from our church. We do not get to hear much preaching so we find much pleasure and consolation in looking over the different letters and testimonies. Especially did wife and I enjoy Brother Loyd Hunt's letter from Greenville as it served as a letter from home. We are glad to know by this and other ways that God's people are still on the firing line with victory in their souls.

Wife and I have just been alone in this good way. We have had some real battles of opposition. The enemy has tried hard to make us give up but praise God who giveth the victory we are more determined to go thru with Jesus. We have been praying for more help in this part of the vineyard. We learned that there is another little band about two and one half miles away from us. They just had their first service in their little church last Sunday. We will be calling for some good Church of God preacher to come this way and preach Church of God to these people in this community. There are some honest, open hearts for the truth. Dear saints, pray for wife and me that we will live in such a humble way that these people and all with whom we come in contact may know that we have been with the Lord.

We would like to hear from any of the saints or any preacher who could

A GRADUATE OF B. T. S.

I am very grateful for another opportunity to sound a note of praise to our Redeemer thru the pages of one of the greatest little papers in the world.

I said but little during the last term of school but I did some deep thinking. The thought that concerned me most was that the last term of school finished my course and the race I had tried to run the three terms I attended. It almost breaks our hearts to have to say good-bye to the student body at the close of each term but as we leave the B. T. S. on graduating year, having to say good-bye to fellowstudents, dear old B. T. S. and officers for the last time, it really causes us to realize what it means to be connected with such an institution.

I can truthfully say that B. T. S. is getting better each year as more people seem to see the need of trained men and women in the work of the Lord. I believe I speak the sentiment of the whole student body when I say we thank the Lord for putting it in the heart of Brother R. P. Johnson to raise money to buy washing machines for the school laundry. By having a machine to do our laundering we had more time to pray and I am sure that at least most of us remember Brother Johnson and the many dear ones who contributed to the welfare of this good school.

I have done but little for the Lord since coming to Florida, however, I have tried to keep the fire burning in my soul so that a little spark might be able to burn among the people with

Always Speaks a Good Word For Bible School

SHAW, Miss.—I am glad I can say I am still on victory side and my aim is to make heaven my home. I am proud of my little place in the Church of God.

It makes my heart glad to see the Bible School growing. I spent one term in Bible School and truly I can say it's a wonderful place. No one will ever regret his time or money spent there. I always speak a good word for the Bible School, trying to encourage someone to attend. But dear ones, you will just have to spend a six months' term there to know what it really is.

The Lord surely has been good to us and all praise is due to Him. Please remember me in your prayers. I want to do my little part for Jesus and be ready when He comes or calls. Pray for my unsaved husband. I know God can touch his heart. Also pray for my mother and father, Mr. and Mrs. S. S. Monroe. They are both old and feeble and are trusting God.—One who loves the Church of God, Mrs. G. B. Smith (Ethel Monroe), Rt. 2, Box 47.

whom I come in contact. It is no trouble to catch on fire if we keep the powder dry, in other words, if we keep free from condemnation. Dear fellowstudents and all you good saints, I earnestly covet your prayers. I want to do more for the Lord but the Cupp seems pretty empty.—Your brother in Christ, Daniel Cupp, Box 791, Ft. Lauderdale, Fla.

MY CUP RUNNETH OVER

MAUD, Okla.—Praises be to Jesus for ever. O praise the Lord, all ye nations. Praise Him, all ye people, for His merciful kindness is great toward us and the truth of the Lord endureth for ever. Praise ye the Lord. I truly feel good in my soul this morning. My cup runneth over with joy. Hallelujah! The power of God surely has been with us. The Lord started a revival here on the 20th day of May and it closed the 29th with great victory. There were eleven saved from sin, seven sanctified, five baptized with the Holy Ghost, and seven came into the church. There is still a heavy conviction on the people. Sister Goldie Frunz and Sister Alice Enginger did the preaching. They are truly chosen handmaids of the Lord, filled with the Holy Ghost and power. They left us soon on account of sickness in the family. We are expecting them back in a few days, if the Lord is willing, to continue the revival.

I praise the Lord this morning for His great love to me and for healing me of all diseases. Praise His precious name forever! I praise Him for the good Church of God. Saints, pray for us here. There are so many precious ones standing out in sin. Some are the dear ones of the saints. Pray that they may fall at the feet of Jesus in this coming revival. Pray that God will keep us humble at His precious feet, that we may be real soul winners for Him. I feel that I come so short of doing all I can for my blessed Savior who gave His life's blood for a dying world. I feel that

run us a meeting later on during the Summer.—Your brother and sister in the Lord, Mr. and Mrs. Samuel White, Rt. 1.

Jesus has a work for me, more than I have been doing. Please ask God to give me the wisdom and understanding to know just what His will and calling is for I am looking for the blessed coming of our precious Savior very soon. I feel the angel is standing at the door ready to give the call, "Behold the bridegroom cometh." O saints, everywhere, let us wake up and be watching lest we stand there with empty hands, or with our lamps gone out, lest He say, Where are the many precious souls that I shed my blood for? Why did you not warn them and bring them with you? Pray for my unsaved daughter and her companion who live in Iowa, also please pray for my stepdaughter that is out in sin. There are so many I could ask you to pray for. God has put such a burden on my heart for lost souls this morning. I feel that if I could give my life for the lost just now it would be easy.

We had our pastor, Brother Brooks, with us most of the time during our revival. We thank God for him for we believe he is a real man of God, but he is also pastor at Stroud, Okla., district overseer of Murphy, Stroud and Maud and it is hard for him to devote much of his time in one place. Pray for our C. of G. Y. P. E. and for their leaders.—Your humble sister in Christ, Mrs. Eliza Norton.

Obituaries

ADAMS

The death angel visited our home and claimed our darling sweet baby, Lonie Veston, age nine years, one month and twenty days. He was sick eleven weeks. It was hard to give him up but the Lord knew best. We can look forward to meeting little Lonie. He can't come to us but we can go to him. He was dearly loved by his mother, father, sisters and brothers. He leaves to mourn his death his mother and father, Mr. and Mrs. A. R. Adams of Verbena, Ala., four brothers and two sisters. He was small but really believed in the Lord. He always wanted prayer. We feel lonesome but God can comfort our hearts if we will live true to Him. He was laid to rest in the Providence cemetery by the side of his two little brothers where he will sleep till Jesus comes. He is gone but not forgotten. — His sister, Vira Adams.

OVERSTREET

On May 29th at 11: p. m. the death angel visited the home of Brother and Sister A. W. Overstreet and claimed little J. P., age seventeen years, as its victim. Little J. P. was ill eight weeks. The doctors could do him no good nor find the cause of his illness. He was raised in a Church of God home and never knew anything but to serve God. He prayed and asked for prayer until the last. He leaves to mourn his death eight brothers, two sisters and one grandmother, all of Richburg. He has gone to be with his grandfather, Brother George Etheridge, who departed this life a few months ago.

Little J. P. was laid to rest in the Oak Grove cemetery at 3:30 p. m. May 30, 1930. The services were conducted by the writer. — One who stayed by his bedside all during his illness, Mrs. Emma Logan, Hattiesburg, Miss.

ETHERIDGE

Dear Brother George T. Etheridge departed this life Dec. 8, 1929 at the age of sixty-nine years, five months and eleven days. He leaves to mourn his death a loving and faithful wife, five girls, one son, thirty-three grandchildren, two great grandchildren and a host of other relatives and friends. He suffered with paralysis for nearly three years and he was patient and trusted the Lord to the last. He was a member of the Church of God and had the Holy Ghost. He is missed so much in church and Sunday School which He loved so much. We all loved him. — A sister in the faith, Mrs. Emma Logan, Rt. 3, Hattiesburg, Miss.

WEST

Queen Delora West was born in Chattanooga, Tenn. Jan. 5, 1912 and departed this life May 26, 1930, being eighteen years, four months and twenty-one days of age. Delora professed faith in the Lord Jesus Christ Feb. 14, 1927 and received the Baptism of the Holy Ghost and became a member of the Church of God. She lived a devoted life and was true to her profession until death. She leaves to mourn her loss her father, mother, two brothers, Floyd and Clifford, one sister, Mary, and a host of relatives and friends. Delora will be missed in the home and also in the church by her many friends, for she was loved by all who knew her. We believe that our loss is Heaven's gain. Funeral service was conducted by J. L. Goins and H. L. Whittington.

O Delora, how we'll miss you
On this earth till life is o'er,
But in Heaven some day we'll meet
you
Where parting will be no more

AUSTIN

"Precious in the sight of the Lord is the death of his saints." Psa. 116:15. May 2, 1930 the death angel snatched from Brother W. M. Austin's side his dearly beloved wife, Sister Jennie Austin. The hour of death came very unexpectedly and as a great shock to

the Okeechobee church. Brother and Sister Austin were driving along the highway from Okeechobee to Lake Placid and upon approaching the long bridge that spans the Kissimmee River the automobile got uncontrollable and plunged thru the bridge and into eighteen feet of water where Sister Austin was drowned. It was only thru strenuous efforts and the help of God that Brother Austin was able to extricate himself from the car. Sister Austin was fifty years of age. She leaves a husband, eleven children, and a host of relatives and friends to mourn her death. She was a member of the church for about twenty years and was filled with the Holy Ghost. All this time she trusted the Lord for her healing. We do not mourn as those who have no hope because we realize that it will only be a few more days when those who are faithful will go to meet her on the shores of sweet deliverance. The funeral was conducted by Brother Walter R. Whidden and the remains were laid to rest in the Hart cemetery to await the soon coming of Jesus. — A friend, Harry W. Johnson, Okeechobee, Fla.

DAVIS

On May 27, 1930 the death angel visited the home of Mrs. Boyd Baxley of Dillon, S. C. and claimed for its victim her darling mother, Mrs. Mary Catherine Davis. Grandmother was sixty-seven years of age. She was in bad health for some time but was able to be about. Her death after an illness of one day was a shock to her many friends. She was a member of the Baptist church. It was hard to part with her but God knew best. She leaves to mourn two daughters, three sons, one brother, one twin sister, twenty grandchildren, and a host of relatives and friends. The funeral was conducted by Brother J. A. Ward and her body laid to rest in the family cemetery at Hamer, S. C. — One who loved her, her grandchild, Isabell Davis, Dillon, S. C.

HALL

Lloyd Hall, son of Mr. Grundy Hall of Old Hickory, Tenn., age twenty-seven years, one month, and eighteen days died Tuesday morning, May 27, 1930 at 10 o'clock. He leaves to mourn his death a father, other relatives, and a host of friends. His mother preceded him to his grave more than a year ago. His remains were laid to rest in the Spring Hill cemetery near Nashville, Tenn. We know he has gone to rest so let us strive to live a life that when we are called to leave our home on earth we will meet him in that eternal home where sad tears never dim the eye. — His cousin, Mabel Head.

MASON

On May 8 the death angel visited the home of Sister Lina Mason of LaFrance and claimed for its victim little six year old Lillie. She suffered with the dreadful disease of spinal meningitis. It was very sad to give up little Lillie. She was a bright eyed lovely child. We know our loss is Heaven's gain. We miss her presence in our Sunday School. The funeral was conducted by Brother R. J. Looney assisted by Sister Pauline Jackson. Her body was laid to rest at the Ebenezer church. She is survived by her mother, three sisters and two brothers. — Her Sunday School teacher, Mrs. Ida Nelms, LaFrance, S. C.

JACKSON

Our dear little James Jackson, age five, was accidentally shot by his little brother, Lee, age seven, early Sunday morning, May 11, 1930, and died at nine o'clock. He went to be with Jesus and the angels and all the holy prophets of old. Our hearts are sad but Jesus knows best. He cannot come back to us but we can go to him and that is my aim, to meet my darling. His funeral was conducted by our dear faithful pastor, Brother W. A. Ledford and his little body was laid away at Nicholas cemetery to await the great resurrection morn. — His mother, Della Jackson, Marked, Tree, Ark.

LEGGETT

A faithful servant of God, another one from our large family has gone to live with Jesus. She was a faithful member who trusted God until death. I know she trusted in God to take care of her. Dear Sister Leggett will be missed as she has been so faithful to help the ministers, always ready to give, ready to pray at any time and always had a praise in her heart. She was never found slothful in God's service. She has a faithful niece, Sister Dobbs of Chattanooga who is of the

same faith in Christ. Sister Leggett loved the Church of God and the Holy Ghost had His way in her life. She will be missed at the Assembly. She will be in a greater Assembly where all will be peace and glory forever. How beautiful heaven must be. I want to go there don't you?

She leaves to mourn her departure two loving sons and two daughters who stood by her side until death, a number of relatives and a host of friends. Our loss, but Heaven's gain. The funeral was conducted in her home in charge of Brother Mulkey and Brother Ernest Dilbeck. She was laid to rest in Paterson cemetery by the side of her husband. — Written by one who loved her, a sister in Christ, Mrs. Alice Dilbeck.

BREWER

The death angel called at the home of Sister Marion Davis Brewer on May 17, 1930 and took for its victim her beloved husband, Brother Marion Davis Brewer, age sixty-eight years, eleven months, and seven days. He was not well for several months. He was afflicted with cancer of the stomach. During the awful hours of pain and suffering he praised God for the sweet Holy Ghost. He was saved, sanctified, and filled with the Holy Ghost. He was a member of the Church of God at Oak Grove, Miss. He had been a member seven years, seven months, and seventeen days. He remained faithful to the end. He often said in his testimonies that he had some precious children in sin he wanted saved and he would like to see them saved before too late. The funeral service was conducted by his pastor S. V. Grimes at Mt. Zion and his body laid to rest in Mt. Zion cemetery beneath a beautiful blanket of flowers to await the resurrection morn. Bro. Brewer leaves to mourn his death a loving wife, several children and grandchildren, and a host of relatives and friends. We weep not as those who have no hope. We expect to meet him again where there will be no more parting, heartaches, sorrows or sad good-byes. — Written by friends, Mr. and Mrs. A. H. Wallace, Red Bay, Alabama.

Enjoyed Convention

COLUMBIA, S. C.—Behold how good and how pleasant it is for brethren to dwell together in unity! We were made to believe this Scripture more than ever on Saturday evening as the people began to gather into Columbia for the district meeting. The services opened about 8:00 p. m. with singing. The singing was just fine. The Lord was in it. The saints shouted the high praises of God. Some surely reached the throne in our prayer. Brother O. H. Tollison delivered a message on "Deliverance." Brother Buck Brooks followed with a message on "What You Would do After Being Delivered." After this we went to our homes. The people kept coming until eleven o'clock. Thirteen stayed with the writer but oh, we enjoyed it so much.

Sunday morning services began at 10:00 o'clock. By 10:30 the house was packed to its capacity. We opened with song and prayer. The dear Lord blessed and we were made to believe it was a good place to be. When the churches reported Bro. David Goude marched to the platform with 42 delegates from Charleston. Columbia marched with fifty delegates. Brother Raney marched with nineteen delegates from Winnsboro. Following this our state overseer, Brother Raney delivered us a wonderful message. We are truly thankful to God for our dear state overseer. We then adjourned for noon.

We were back in service at two in the afternoon. Brother Charlie Jackson marched with thirty-five delegates from Likesland, a little church in the country. A little girl about twelve years stepped out to advertise their Sunday School. She repeated every golden text for 1929 and 1930 up to date. Our hearts were made to rejoice to see this good work. Bro. Hagins, the pastor, and his wife from Earle came to the stand. My, how they made us cry as they sang, "If I can't see you any more, let's live the life." Brother Wiley of Warmville could not be present on account of his wife's illness.

Orangeburg had about twenty representatives and there is no church there. They are hungry for the church. Pray for Orangeburg. We are going to their rescue.

You cannot realize how grand and glorious this convention was without you were present. We thank the pastors for their cooperation as they were the ones who made this convention what it was in attendance. The presence of the Holy Ghost made it so sweet to be there.

I thank the Columbia people for their good response to the basket call. We have some of the best people in the world here in Columbia, S. C. The church is on fire. If you don't believe it pay us a visit. The Church of God is the body of Christ and the devil has his machine gun turned on her but the high praises of God are going just the same. The more the devil howls the harder we pray and shout. We are expecting a landslide any time. Look out, saints, let's pray to God for a nation wide revival. You can watch for Columbia for she will be on the pages of the Evangel again soon.—G. B. Langford, District Pastor.

A Good Feast On The Bread of Life And The Living Water

ALLISON'S CHAPEL, Va.—I praise the good Lord for His saving grace and the sweet Holy Ghost abiding in my soul.

Just a word of thanks to our God for the good feast on the bread of life and the living water we were permitted to enjoy for the past three weeks. Brother Rexrode's Happy Band came to us May 4 with the helmet of salvation and the sword of the Spirit, setting up his banners in the name of God, bombarding the head and breastworks of the enemy with such truth and power as only God can give. Brother Rexrode is truly a high powered man of God and as he shelled the fort with the fire of God which is quick and powerful and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit and of the joints and marrow, and is a discerner of the thoughts and intents of the heart, the slackers, hypocrites, and backsliders had to fall out of line or surrender. The enemy was stirred but cannot gainsay or resist. Praise His name.

"I am come to send fire on the earth; and what will I, if it be already kindled?" Luke 12:49. We love Brother Rexrode's Band and pray God will keep them encouraged and equipped both spiritually and financially until the last battle is fought and victory won. They cease not to warn the wicked man of his wicked way and the righteous man that he sin not.

Sister Rexrode is a model minister's wife, so humble and quiet, a real helpmeet. She is as becometh holiness in economy, modest apparel, last but not least, in helping her husband train their children in the nurture and admonition of the Lord.

Brother Rexrode said the ministers were examples to the church as well as the world. Abraham is the father of the faithful. God said, I knew him that he will command his children and his household after him, and they shall keep the way of the Lord to do justice and judgment that the Lord may bring upon him that which he hath promised. 1 Pet. 5:1-3 substantiates this thought too.

Various denominations are hearing of this highway of holiness and many are asking for the light. We were made to rejoice when Brother Rexrode came into our midst with his household. His two little baby girls thank God for their food and as offerings were given they would kneel and give thanks to the Master. They would stand before the audience and sing and clap their hands in honor to both their heavenly Father and earthly father. We think of the young man and girl in the happy band as dear souls. May God wonderfully bless them. Psa. 33:2, 3 says, "Praise the Lord with harp: sing unto him with the psalter and an instrument of ten strings. Sing unto him a new song; play skillfully with a loud noise." God surely blessed them with sweet voices and musical talents with the organ, guitar, mandolin, and accordion. We know there is a crown and a mansion awaiting Brother Merel and little Lucie of the Rexrode Band as the labor in the Lord is not in vain.

God blessed most of our three weeks' service with good weather and the largest crowds ever at this place and very good behavior. Some came from thirty miles away. Brother Rexrode was discouraged because more stir wasn't manifested but he dug deep and broke up fallow ground and sowed the good seed. God will give the increase in due season because "My word shall not return unto me void, saith the Lord."

We have a few faithful soldiers in this district. Paul admonished Timothy to watch in all things, endure afflictions, do the work of an evangelist and make full proof of the ministry. A few more evangelistic meetings like Brother Rexrode's will root out, pull down, and throw down the slacker, hypocrites, backbiters, and backsliders until the church can rise and shine for the glory of the Lord. He explained that it was not quantity that the Lord wanted. His last sermon was on tithes and four came out of the valley of decision. One sister absent from service began tithing next morning. He that is of God, heareth God's words. John 8:47.

We have been edified and encouraged to press the battle on to victory and trust God will send them back in the future.—Your humble sister under the blood, Mrs. M. R. Stilwell.

Heaven Seems Near

LESTER, W. Va.—I want to testify through the Evangel. I love the paper and have never been without it since I first took it about three years ago. It is food to me.

On the second Sunday in May we had feet washing and the Lord's Supper and it was a real feast. It seemed that Heaven was near. The saints were of one mind and accord and had real love. There was not a friction anywhere. We are few in number but we have the real fire. We are organized against the devil. We are getting busy on our new church and expect to have it ready by the first of July so we can start a revival. I want to say to any one passing this way, just stop at Lester. You will find a bunch

Mission Department

Material for this Department should be mailed to E. L. Simmons, Mission Secretary, Christopher, Ill.

SPECIAL NOTICE

All money for missions should be sent to E. J. Boehmer, General Sec. & Treas., Cleveland, Tenn. and not to me. I have forwarded all to him that was sent to me.—E. L. Simmons, Mission Secretary.

We have not yet heard the complete returns on the special mission drive set for the fourth Sunday in May, but we believe it will be a success. Several have sent their money in to me and I have forwarded it on to Brother Boehmer.

LADY USES DOCTOR BILL FOR MISSIONS

A letter from Woodson, Va. sends an interesting account which is in part as follows: "You will find enclosed one dollar for missions which I promised the Lord I would send if He would heal my body so I would not have to have the doctor. He healed my body so He deserves the pay. I would like to give more to spread this good gospel," etc. Now is this not a good way to show your appreciation of His healing? and at the same time how cheap! If each of us gave for missions what the average person pays for doctors and medicine, we would certainly have a large mission fund. Let us try to do more.

LETTER FROM JAMAICA

Dear Brother:
I wish to say the work here is mov-

GOOD CHURCH MATERIAL

We opened fire on the devil at Crum, W. Va. May 4. The revival closed May 14 with victory over the devil. Three were saved, one sanctified, and two received the Holy Ghost. A church was set in order with twelve members. Nine of these are to be transferred to this place. There is real good material in this church. Three deacons were appointed and one of them was put in as clerk. He is a real good man and is an agent for the N. and W. Railroad Co. I believe the other two deacons are good material. Praise pray for this work that it may grow.

I mean to press on, pray on, preach on, sing on, and fight on until I am called away. I may not have to go by the way of the grave but I want to be ready to meet my Savior in the air and be able to take the marriage Supper of the Lamb. I am glad there is one who sticketh closer to a brother. Prov. 18:24.

Pray for me. I am now in a meeting at Princeton, W. Va. with Brother T. J. Meade. Pray for God to make my body stronger that I may be able to keep preaching on and on. Pray for the unsaved of my family. I would like to hear from anyone who feels led to write me.—G. W. Helmick, Box 661, Buckhannon, W. Va.

Prayer And Fasting Accomplished Results

I praise the dear Lord this day for what He has done for the people of Linton, Ind. We have just closed a four weeks revival there with great success. The harvest is still ripe. Folks are so hungry for the blessed Word of God. They begged me to stay but I asked for a few days' leave to attend the assembly of Louisville, Ky. Large crowds attended every night. The saints worked with long suffering toward the sinners. Twice we prayed and sang until four o'clock a. m. Prayer and fasting accomplished results.

Eighteen were saved, seven sanctified, and six were baptized with the precious Holy Ghost with Bible evidence. Praise the dear Lord!

I am expecting to return there after the assembly of Kentucky. Everyone who knows the worth of prayer pray that the remaining convicted souls will be reaped in. I have several other engagements in Indiana. Pray for God to give us many souls. The churches are Free Pentecost. Sister Iris Vihle (Free Pentecost) of Edwardsport, a sixteen year old evangelist, sang and played the piano and many souls were blessed thru her. Anyone desiring to

of saints there who will welcome you, and if you are a real Church of God preacher, they will invite you to preach and will stand by you. They believe in paying tithes and standing by the pastor. I believe we are in the last of the last days. Brother, sister, we need to have our hearts and minds on God and His Church. I believe the Church of God is the Bride, the Lamb's wife. I want to be one hundred per cent and do all I can to see souls come into this good way.

Praise His great name! I can feel the power and the Holy Ghost still abiding with me. I want all who read this to pray for me that I will do the Lord's will and hand out the Word to the dying lost souls that they will find Christ before it is too late.—J. F. Cook, Glen Morrison, W. Va.

ing on nicely considering the great shortage of finance. The Kingston District convention which convened May 7-9 was a wonderful success from the start to finish. One preacher, a white man from New York, saw the light and cast his lot with us and gave us a piece of land with a tabernacle on it. We are trusting to have a good work started here soon.

I have just returned from the mountains in another part last week where we succeeded in getting a church set in order with forty-five members. The interest is generally good in that section. Many are getting saved, sanctified, and filled with the Holy Ghost. The outlook is good at the present time. — Z. R. Thomas.

CIVILIZING POWER OF MISSIONS

Isaac Taylor once attempted a catalogue of the great social evils: Polygamy, legalized prostitution and capricious divorce, bloody and brutal death and punishment by torture, games, rapacious and offensive wars, infanticide, caste, and slavery. From all lands where the cross has been set up and the gospel faithfully preached, these nine gigantic forms of wrong are either retreating or are no more found. A new standard of manhood is also erected and new lessons in living are taught. So surely as Christ becomes Master, so surely do these evils of midnight flee before the dawn. — From "The New Acts of the Apostles," by Arthur T. Pierson.

Sunday School Increasing

BAINBRIDGE, Ga.—I praise God for our little church down here. It was set in order about the first of the year with just nine members. We had twenty-five present at our first Sunday School January 19. May 18 we had sixty-eight in attendance. On May 17 five more came into the church. Some of them are real live wires for God.

I don't regret the day I left my job and obeyed the sweet voice of the Lord and came to this place. It seemed to be a hard place but Jesus didn't say for us to pick our places to preach. Dear ones, the people in these hard places need the gospel too. Let's not stand back because there are hard times, and fail to do our part. Sinners, do not stay away any longer, thinking this salvation was only for the disciples back there, but reach out and take hold of it. When Jesus comes again you will be glad.

I am so glad for our pastor and his wife, Brother and Sister L. H. Griffin. They are two who did not stand back but they came here willing to suffer with us for the sake of lost souls. They have been faithful to their post of duty. I ask every one who reads this to pray for us at this place. We have bought a lot for the church but have not built on it yet. Pray that God will enable us to finish it for His glory.

Please pray much for me and my family that they will all be saved before it is too late and for my husband that He will get the Holy Ghost. We want to stand true until He comes or calls.—A sister in His love, Mrs. L. B. Lynn, 115 River St.

14 BAPTIZED IN JAMAICA

DRY HARBOUR, Ja.—I praise the Lord for what He has done for me. I have been saved and have victory over sin. We had baptismal service May 25, 1930 at Dry Harbour. The sermon and baptizing was conducted by Elder H. Johnson. Fourteen followed the Lord in water baptism. I was one among that number. The Lord wonderfully led from the beginning to end. The candidates gave testimonies at the mission. We also had the Lord's supper in the evening. On the 26th we had a fasting and the Lord helped Elder H. Johnson in teaching us. Pray for the church here at Dry Harbour that we might have victory.—Yours in Christ, Eustace T. Francis, appointed clerk.
